Number of Volunteers Requested: 1-2

Would you like to interview candidate yourself? Yes No

Can this position be filled by Service Learning Students? Yes No
Service Learning students typically commit to 10-30 hours over one semester (approximately 4 months).

Purpose for Volunteer Assignment: A lot of children come with parents who are attending prenatal classes and we would like to provide them with productive and organized activities during the class. This is beneficial to the children and also helpful to the parents, allowing them to focus on the class content.

Benefits to the volunteer: Experience speaking Spanish and working with kids, as well as taking on a leadership role. Teaching or tutoring opportunity. Experience in facilitating small groups or working 1:1. Exposure to a community health and health education setting.

Time Commitment: Every Wednesday and Thursday evening from 4:45-7:15 pm; Volunteers can choose one or both days

Client /patient population volunteer will serve: Children of patients attending prenatal classes; patients receiving OB services and OB Case Management

Duties: Carrying out pre-planned activities with children—helping mom prepare for new baby, creative learning activities, homework time, etc. While most of the children speak English, activities would preferably be carried out in Spanish to help kids maintain their Spanish skills.

Qualifications: Interest in Women's Health or Child/Maternal Health preferred; vibrant energy for working with youth; Some Spanish language skills preferred, interested in learning more. Experience working with young children preferred; teaching/tutoring experience is ideal, but not required.

Training provided to volunteer: Volunteer will complete a 1-hour Human Resources Volunteer Orientation. Volunteer will receive orientation to Women's Wellness Department, Prenatal Class, and resources specific to Children's Activities by designated staff.
